Infrared LEDs for low light conditions and night vision

Body Camera | DrivePro™ Body 10

Day or night, indoors or outdoors, Transcend's DrivePro Body 10 is the best companion for police officers, security guards and other professionals. The camera's wide 160° viewing angle, *f*/2.8 aperture lens, and Full HD 1080P recordings ensure all the important details of actions are clearly recorded. Infrared LEDs come on automatically in low light, allowing recording and snapshots at night. The DrivePro Body 10 also features a built-in battery and excellent water and shock resistance, making it ideal for indoor and outdoor use.

Firmly attached with 360° rotatable clip

Excellent water and shock resistant

- Handy snapshot function to take photos while recording
- F2.8 aperture and 160° viewing angle for clear and smooth 1080P recordings
- Free download of DrivePro Body Toolbox for Windows
- 32GB High Endurance microSD card included
